

**Free Kids
“Happy
Tooth”
Visit**

We recommend that all kids ages
1 to 4 visit our office for a
complimentary visit.

General and Esthetic Dentistry
**Denzler Family
Dentistry**

**SATISFIES STATE REQUIRED
EXAM FOR KINDERGARTEN
ENROLLMENT**

The best way to keep your kids smiles shining bright is by building good dental habits early. Let us help you! All children ages 1-4 are offered a complimentary “Happy Tooth” Visit. This first visit is assured to be a positive experience. They will go for a ride in a dental chair, get comfortable in our environment, and learn about their teeth. We will perform a visual exam which meets the state requirement for a dental screening when kids begin school.

Please start your child’s dental journey off on the right foot. If any dental care is needed Dr. Denzler and team make every effort to provide the very best dental care and with the most gentle touch.
